Start your registration here!

How to identify and participate of **Petrobras** public biddings on the Petronect Portal

Section where all procurement opportunities from Petrobras and its subsidiaries are published, AI-driven tools support the search for supply opportunities and requirements

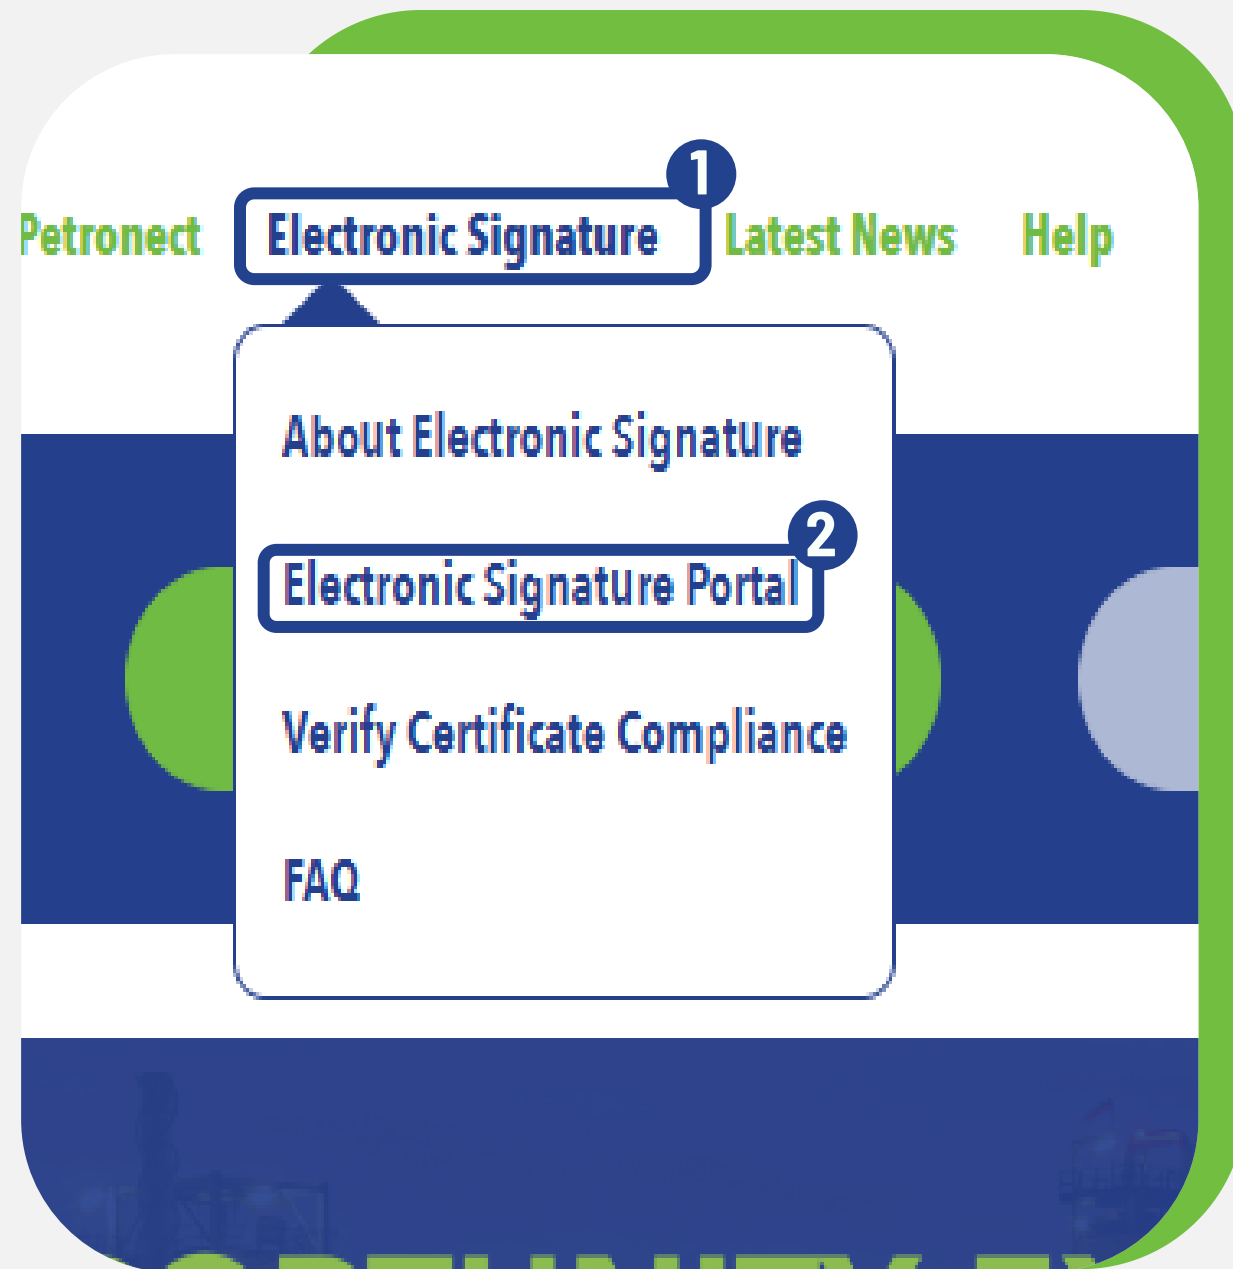

Public bidding results

The image shows a screenshot of the Petronect portal interface. On the left is a green navigation sidebar with the Petronect logo at the top. Below the logo, the text 'The Petronect >' is visible. The main menu items are: 'Registration at Petrobras >' (with a circled '1'), 'Purchasing and Contracting' (with a dropdown arrow and a circled '1'), 'About Purchasing and Contracting', 'Opportunity Types', 'Auctions', 'Support Tools' (with a circled '2'), 'Public Bidding' (with a dropdown arrow and a circled '2'), 'Open for Proposals', 'In analysis of proposals >' (with a circled '3'), 'Completed' (with a circled '3'), 'ODDM Auction >', 'Prequalification >', 'PEPI >', 'Quality of Goods', and 'Access Fee'. The main content area on the right is titled 'Public Bids Completed' in large blue font, with a green wavy line below it. Below the title are four input fields: 'COMPANY*' and 'NUMBER OF OPPORTUNITY' in the top row, and 'ALL' and 'All' in the bottom row. A blue arrow points from the 'Completed' menu item in the sidebar to the 'Public Bids Completed' page.

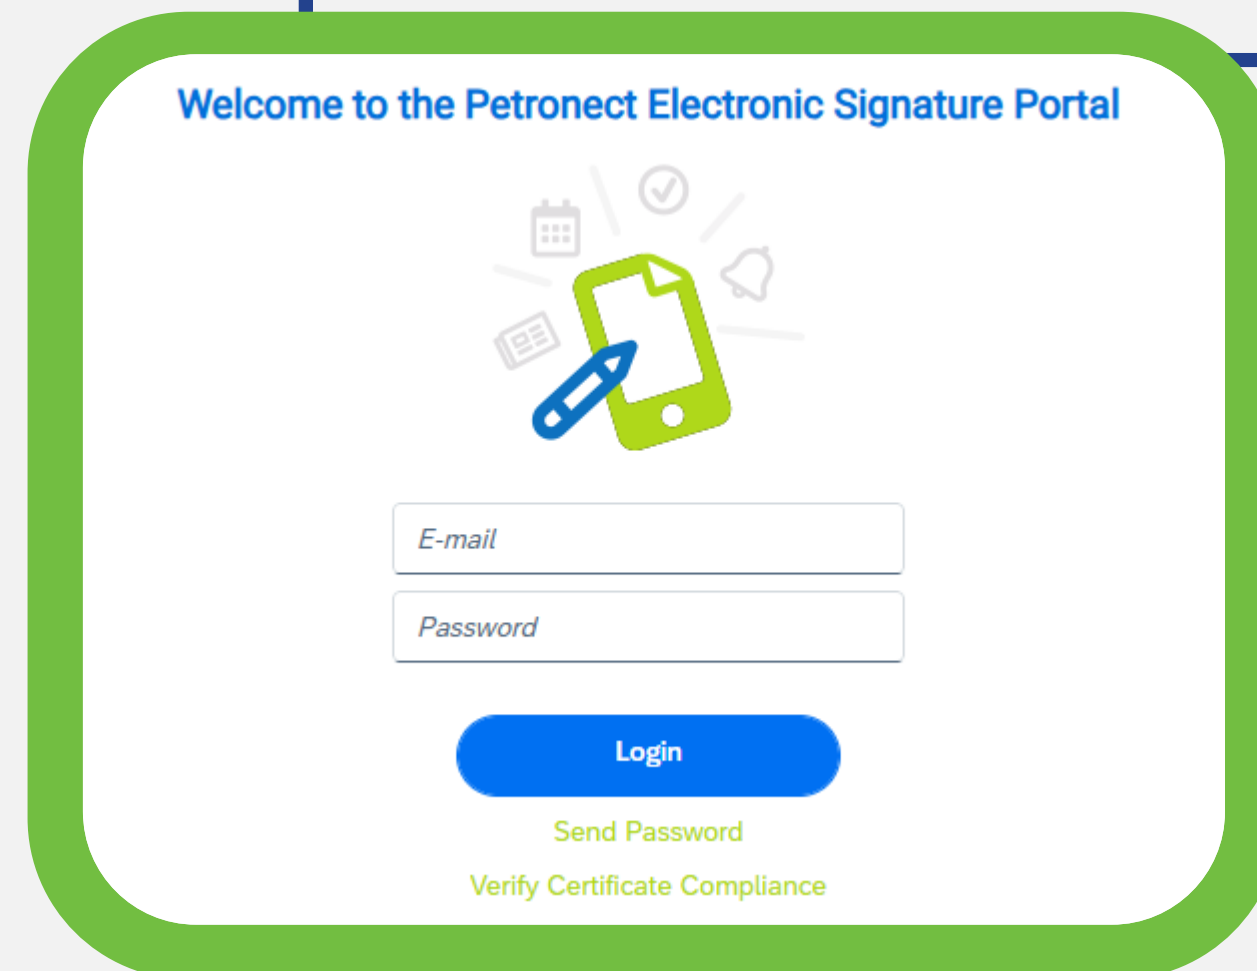

In addition to receiving tender results by email, participants can also track all related information directly through the Portal at any time

Contract awards via electronic signature

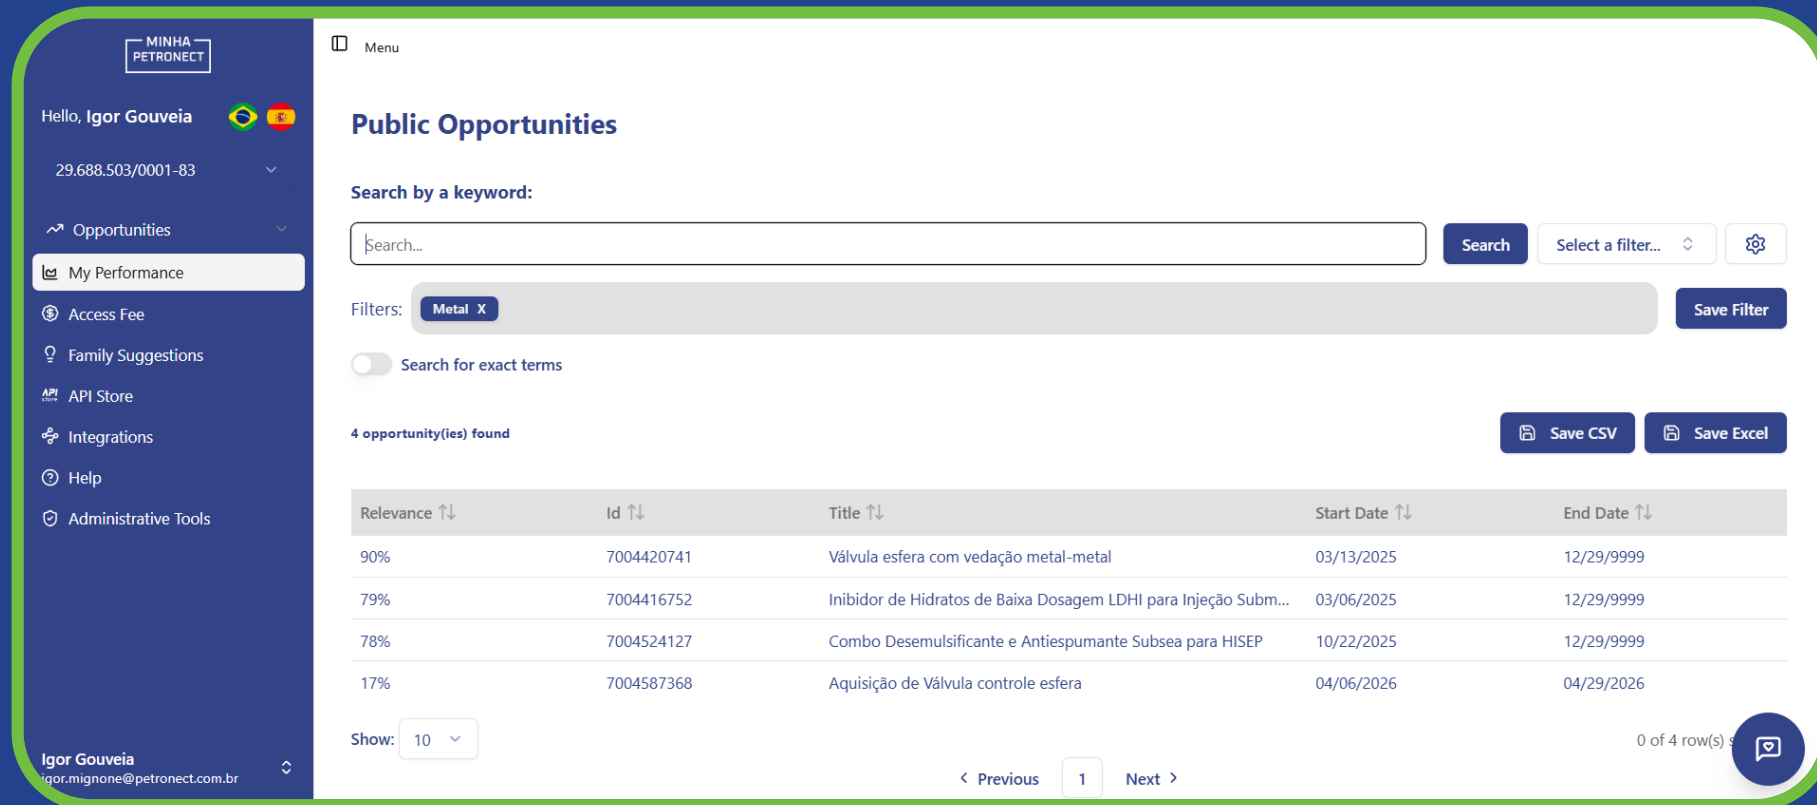

Contracts are electronically signed through our platform, ensuring authenticity and legal validity.

Contracts are securely stored and can be downloaded any time.
